David J. Bradley, Clerk of Court

Hon. Judge Ramor,

I am writing to you in regards to the petition I filed on 12-26-11. First and foremost, I would like to state to the court that I never intended to paint a picture to the court of my attorney as being a bad guy, or subjecting me to ineffective assistance of counsel, because he did inform me of the cultural assimilation, in regards to the Immigration Reform Act. I was just stressed out, because I felt that the guidelines were miscalculated in my P.S.I. And at the time I could not reach my attorney, and I got paranoid and frustrated, and I acted in an attempt to help myself. I do wish to assert that I wish to apologize to the court, for my actions, as well I wish to apologize to Mr. Flores, and I would like to keep him as my legal counsel. I wish to state that I have since made contact with Mr. Flores, and he has assured me, he will come to the Coastal Bend Detention center, to speak with me in regards to any objections with my P.S.I.

Again, Please accept my apology your honor, and I have issued an apology to Mr. Flores as well, and again I would like to have Mr. Flores to continue to represent me in this matter, to which I am satisfied with the representation to which he is providing me with.

Respectfully Submitted,

Jose Antonio Iruegas Valdez
